Richard K. Hayden, son of Mr. and Mrs. Thomas K. Hayden, of 1212 E. 222nd St., completed recruit training Aug. 21, at the Marine Corps Recruit Depot, San Diego, Calif.

The 11-week course included instruction in all basic military subjects and the firing of all basic infantry weapons.

Upon completion of training new Marines are assigned to a unit for further infantry

training, or to one of the many Marine Corps schools.

Army Pvt. James I. Butterfield, son of Mr. and Mrs. Charles I. Butterfield, 24300 Narbonne Ave., Lomita, completed eight weeks of basic combat training Aug. 23, with the 2nd Infantry Division's 38th Regiment at Fort Lewis, Wash.

Butterfield is a 1957 graduate of the University of California at Los Angeles.

Assistant Postmaster Ray L. Wyatt, 620 Madrid Ave., temporarily has a new job—that of a major in the U. S. Army Reserve.

**NEW TRUCK SPEED LAW REVEALED**

A major change in the truck speed law effective Sept. 11, should be reviewed by all truck operators says the California Highway Patrol.

"The new speed law for trucks was passed by the 1957 State Legislature and becomes a part of the California Vehicle Code in September," declared Patrol Commissioner B. R. Caldwell. "It reads as follows: 'Any motor truck or truck tractor having three or more axles or any motor truck or truck tractor with any trailer or semi-trailer, or any combination thereof, shall not be driven on any highway at a speed in excess of 45 miles per hour. This section does not include any bus having three or more axles.'

"Analysis of 1956 data reveals that, of all commercial vehicle operators deemed at fault in traffic accidents in unincorporated areas, 28 per cent were in violation of speed laws," Caldwell stated.
